a blind to protect the companies' interests in the mame way that the laws of this State pro-

much he ought to pay.-Old Practitioner

Shipping and Commercial List and New York Price Current.) York Price Current.)

1. Is it proper to wear a white waistingst at a
The National finances furnished the paramount built? 2. Is it proper for a lady to give her name problem for the Federal Government one hun-dred years ago this week, as in this current year.

1. Black waistcoats are more generally tect the pantatas in helping them to make for-tect the pantatas in helping them to make for-tunes. What "Experience" found out only of our Lord. There was this difference, however worn at present. 2. You chould be intro-

tunes. What "Experience" found out only lately, I found out about three years ago. There—they were then trying to decrease the National duced by some common acquaintance; they were then trying to decrease the National duced by some common acquaintance; of big gas bills to give their addresses through "The Evening World." That cannot be done. I would like his advice very much, but if the company should find my address in "The Evening World" as a place where a gas doctor is wanted, "Old Hand" can rest assured that my gas bill for July will be higher than that of November. The only remedy I would suggest is that the city should employ inspectors to control the gas made and instruct every gas consumer how Governor and Lieutenant-Governor, respectively on her, and still wishes to do so, yes.

To the Editor:

To the Editor:

It a gentiamus calls upon a lady who does not receive him politicly and kindly, but afterwards writes him a note saying she was more; for her restment, not asking him however, to call again, while the governor and Lieutenant-Governor, respectively on her, and still wishes to do so, yes.

To the Editor:

It is the proper for a man to wear mourain of the first parents die, and to what est with a note saying she was more; for her restment, not asking him however, to call again, waild the gouldenant be justified in calling without and formal invitation:

If he has been in the habit of cailing to her, and still wishes to do so, yes.

sty should employ inspectors to control the gas stand again for the offices they then held, those of consumer how much he ought to pay.—Old Practitioner.

I hurn very little gas, and slwa/a have a nonthly bill of \$2 to \$4 in the Winter, and about \$2.50 in the Summer, and would like very much he cannot be summer, and would like very much life the summer. I turn very little gas, and slwa/s have a mounthly bill of \$3 to \$4 in the Winter, and about \$2.50 in the Summer, and would like very much to know how to reduce them, as I have no doubt the Gas Company is overcharging me, but have no means of finding it out.—E. V. P.

The letter of 'Old Hand at the Business' took my eye, I wish to know him, as I am sine one in the army of long-suffering. My experience in the army of long-suffering. My experience with the Gas Company's bills would be a nut for him to crack. I have bought patent burners.

New Hampshire was arousel over the interference of the doar?

I was a company's bills would be a nut for him to crack. I have bought patent burners.

with the Gas Company's bills would be a nut for him to crack. I have bought patent burners, hired and bought governors, but all to no avail, it was the same old bill. We would like to hear more from "Old Hand at the Business," for he must be a good one or a fraud.—Long-Suffering No. 2.
